As a BMS chorister you will participate in exciting concerts that have been held for many years at diverse venues in Bangkok, such as concert halls, churches, and even palaces on occasion. We perform three or four times a year during our concert season, from August to June. We sing both secular as well as religious works in many genres: classical, jazz, musical theatre, traditional folk tunes, and more.

You will be in the company of an international group of people. In addition to our musical events, we organize various other activities for our members. Shy or unsure? Our conductor Eugene Eustaquio will teach you how to optimize the use your voice and enable you to sing beautifully. Come and try it out!

Rehearsals are Wednesdays from 7-9 pm, Rama IV (near MRT Khlong Toey Station). Email our Choir Manager (see below) for a map. First rehearsal of the new season starts 5<sup>th</sup> August 2009. Inquiries welcome!
